

Dhaka, July 30: Despite the tight schedule and busy season, the federation has been able to confirm a second get together of the U18/U19 players at BKSP next month.

Earlier, these players were released from a residency camp at Savar to join their clubs ahead of the premier league matches.

Paul Smalley, technical director of the Bangladesh Football Federation, said 35 players would be called to join the camp at BKSP scheduled between August 9 and August 14 where they will be preparing for the SAFF championship in Bhutan in September.

The technical director said, "We also hope to have the boys come back for training before the tournament in Bhutan this September."
