

Dhaka, May 14: Dordoi Bishkek continued their winning run in their AFC President Cup group A match with a 3-0 victory over New Road Team as Yuri Volos slammed a hat-trick at the Bangabandhu national stadium today.

This was their second victory for the Kyrgyzstan powerhouse as they beat the Hasus NTCPE 5-0 in the first match of their campaign, day before yesterday.

Russian Striker Volos Yuri opened the scoring for the Kyrgyz side just after five minutes the match has started. He added the second late in the second half and completed his treble four minutes before the final whistle.

Volos drilled home the opener with a cracking shot when an Amirov chip was chested down by Russian midfielder Mysikov, while the striker doubled the lead with a glancing header from a Vlasichev cross in the 75th minute. Volos was again on target eleven minutes later when he headed home a Salaev corner.

"I was a little tensed about today's match because of the hot and humid weather. We gave all our effort to play today's match" said Dordoi's Russian coach Dvoryankou Sergeys.

"We will not think about whom we are playing with, we will just concentrate on our game" he said answering a question about their next match.

Dordoi will play the hosts Abahani on Sunday.
